The Emerging Leaders Foundation Africa (ELF-Africa) exists to empower, support and accompany young women and men to achieve meaningful, dignified and impactful participation in governance, economy and public affairs at all levels of society. Anchored on our foundational values-based approach to leadership as service. ELF's vision is pursued through three program pillars namely the Governance & Civic Engagement, Economic Empowerment, Livelihoods & Opportunity, and our signature Leadership Development Program. Through lifeskills training and mentorship, grounding in civic consciousness and responsibility, professional development and practical exposure to the world of work, the three programme pillars collectively provide platforms, tools and linkages to discover, inspire and empower the young women and men to transform their communities even as they thrive individually

Summary

ELF-Africa is looking for current university students or recent graduates interested in attachment in any of these disciplines:

ABOUT THE ATTACHMENT
