ICON plc is a world-leading healthcare intelligence and clinical research organization. We're proud to foster an inclusive environment driving innovation and excellence, and we welcome you to join us on our mission to shape the future of clinical development.

### **What you will be doing:**

Responsible for planning, managing and execution of statistical deliverables in clinical trial and non-trial activities in the project

Responsible for providing statistical input to authority required documents or meetings

Responsible for ensuring that clinical trial and non-trial tasks are aligned with the project specifications

Deliver results through and ensure understanding among colleagues relevant for problem-solving

Lead project teams to achieve milestones and objectives

Prioritize, plan, manage and execute Clinical Trials and submissions within project area

Mentor and develop successors within project area

Fully responsible for statistical methodology and deliverables within the project

Main contact to stakeholders regarding statistics within the project

**You are:**

MSc. in statistics or equivalent

+3 years of experience as a statistician within the pharmaceutical area or equivalent knowledge through relevant experience

Experience with a broad range of statistical tasks

In-depth knowledge of biostatistical methods

Extensive experience with practical applications of biostatistical methodology

In-depth knowledge of drug development

Broad experience with statistical software and IT and in-depth experience with at least one statistical software package

Good knowledge of GCP and statistical guidelines within drug development

Regular experience with communication of statistical issues and presentations

Basic understanding of the pharmaceutical industry and key elements of the value chain, with a focus on immediate stakeholders and how to deliver on own goals

**What ICON can offer you:**

Our success depends on the quality of our people. That's why we've made it a priority to build a diverse culture that rewards high performance and nurtures talent.

In addition to your competitive salary, ICON offers a range of additional benefits. Our benefits are designed to be competitive within each country and are focused on well-being and work life balance opportunities for you and your family.

Our benefits examples include:

Various annual leave entitlements

A range of health insurance offerings to suit you and your family's needs

Competitive retirement planning offerings to maximise savings and plan with confidence for the years ahead

Global Employee Assistance Programme, TELUS Health, offering 24-hour access to a global network of over 80,000 independent specialised professionals who are there to support you and your family's well-being

Life assurance

Flexible country-specific optional benefits, including childcare vouchers, bike purchase schemes, discounted gym memberships, subsidised travel passes, health assessments, among others

Visit our careers website to read more about the benefits of working at ICON:
