Job Description

Gertrude's Children's Hospital is a not-for-profit Children's Hospital established in . Gertrude's Children's Hospital is the most established paediatric hospital in Eastern and Central Africa, providing healthcare to children in Kenya as well as those referred from neighbouring countries. The hospital attends to over , outpatients annually through a network of 15 facilities in and around Nairobi and admits over 9, patients annually at its -bed facility located at Muthaiga, Nairobi. Gertrude's Children's Hospital is licensed to provide healthcare to children and teens up to 21 years, and provides the full range of healthcare services including preventive care, accident and emergency, outpatient care, inpatient medical and surgical care, and rehabilitation services. The hospital provides specialist care covering more than 20 aspects of paediatric specialisation, and also runs a teens' clinic providing comprehensive healthcare to teenagers and young adults. Gertrude's Children's Hospital is licensed and recognised as a Level 5 Healthcare Facility, a Tertiary Referral and Teaching Children's Hospital. The hospital operates on a self-sustaining financing model through charging fee for services.
