### Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

The Danish Refugee Council (DRC) is a humanitarian, non-governmental, non-profit organisation founded in that works in more than 30 countries throughout the world.

#### Overall purpose of the role:

Under the direct supervision of the Economic Recovery Officer; the Community Engagement Facilitator will play an important role in the accountability and transparency of contributing to the implementation of the SIDA funded Supporting Displacement-Affected Communities in Kenya with Entrepreneurship Development (SDACKED) project activities in the DRC Urban Program. Also, to support community engagement efforts, in line with the organization's strategy which seeks to assist refugees and the displaced persons to protect their rights and financially empower them towards a better future.

The role will include activities related to awareness-raising of DRC Urban Program work, outreach, promote community participation and feedback in all stages of project implementation as well as support to enhance community/enterprises capacities/ initiatives under the technical guidance of the Economic Recovery Officer and share recommendations on how to better integrate community engagement strategies between DRC Urban projects and organizational sectors for purposes of ensuring DRC Urban Program and its stakeholders agenda are met.

#### Duties & Responsibilities: Responsibilities:

Conduct outreach to target communities served by DRC Urban Program as well as mobilize them to participate in project planning, financial inclusion (Village Savings & Loans Associations) and other project partner driven activities.

Contribute to strengthen DRC Urban Program community engagement strategies by providing recommendations to the supervisor.

Maintain networks with community leaders to ensure targeting is appropriately done in an accountable and transparent manner.

Provide feedback to DRC as received from the community including identified gaps and community emerging needs including recommendations for appropriate action.

Coordination and representation of DRC in Urban refugee forums when called upon by the supervisor.

Ensure CHS standards are mainstreamed throughout the project cycle.

Assist in participatory needs assessments with a focus on DRC's sectoral objectives if and when planned/or conducted.

Monitor the progress of beneficiaries supported and prepare monitoring/implementation reports.

Ensure proper documentation (relevant reports as required by the project) and as per the DRC data protection guidelines or policy.

Constantly gather relevant and vital information to the Urban Program work and share such with immediate supervisor for reflection and appropriate programmatic action.

Identify, cultivate relationships and coordinate with fellow Community Engagement Facilitators or outreach officers either in DRC Urban Program or other agencies working in similar context as DRC.

Perform any other duties by the supervisor as aligned or relevant to DRC's community engagement work.

## **Requirements**

### **Experience and technical competencies:**

1 years' experience working within urban refugees or urban community context.

Working knowledge of the Village Savings & Loans Associations or any other informal lending processes in the urban context.

Working knowledge of Protection issues around urban refugees.
