

## Deputy Chief of Party

[Apply Now](#)

Company: John Snow, Inc

Location: Nairobi

Category: other-general

### RESPONSIBILITIES

Support COP to provide overall leadership and strategic vision for the project

Responsible for assuring that all technical assistance and services provided under the cooperative agreement are technically sound, in line with USAID rules and regulations, and appropriate for addressing the objectives of the Activity.

In the absence of the COP, serves as Acting COP and the project's key representative with the USAID and other collaborating agencies on all pragmatic, administrative and financial matters related to the project.

Assist in directing the program's localization strategy to ensure locally led activities, tailored capacity strengthening, and engagement of local organizations.

Supervise and assess the performance of senior staff and ensure supervisory and accountability systems are in place for all long-term and short-term advisors, subpartners, consultants and staff.

Provide leadership in developing, implementing, and assessing interventions at facility and community level.

Coordinates with the MEL Director to ensure systems and processes for comprehensive and adaptive monitoring, learning and evaluation of the program.

### QUALIFICATIONS

Master's level education/training or its equivalent in Public Health, International Development, or a related field. MD or PhD preferred.

At least 8 years of experience managing international programs in developing countries with a focus on integrated local-level public health services.

At least 5 years of experience in progressive leadership positions on projects of similar scope and complexity (\$25M+), including experience creating and managing project work plans.

Extensive experience in managing health system strengthening programs to address persistent issues related to health access, equity, and quality of care.

Fluency in English with strong oral and written communication.

Comfort and familiarity with representing the Activity and JSI at external events, technical working groups, and international forums.

Position is contingent upon USAID award to JSI. Kenyan citizens are strongly encouraged to apply.

Salary commensurate with experience.
