

Electricians Mate Senior Trainer

[Apply Now](#)

Company: Valiant Integrated Services

Location: Nairobi

Category: other-general

Position Description

The Senior Trainer will report to the Project Manager and serve as Valiant's lead on curriculum development and training implementation. The Senior Trainer will be responsible for developing and delivering training to partner nation military forces to build individual sailor proficiency in operating, maintaining, and repairing the electrical systems and equipment aboard partner nation ships. Specially:

Installing and maintaining power distribution circuitry, lighting circuitry and storage batteries

Connecting and running wiring for lights and other electric equipment

Maintaining and repairing power distribution systems, electric motors and appliances, shipboard elevator systems and electronic consoles

Interpreting electrical sketches, diagrams, and blueprints

Position Requirements

A minimum of two years of directly related experience training foreign military personnel either while on Active/Reserve duty or as a civilian contractor.

at least five years of military experience as a senior maritime maintenance technician or engineer (E-8 or above).

A minimum of two years serving overseas in a military or contract role.

A minimum of one year of directly related experience developing POI or course curricula.

A native English speaker or DLPT 3/3 (or ILR equivalent).

Location Ghana
