Job Description

In July , the United Nations General Assembly created UN Women, the United Nations Entity for Gender Equality and the Empowerment of Women. In doing so, UN Member States took an historic step in accelerating the Organization's goals on gender equality and the empowerment of women. The creation of UN Women came about as part of the UN reform agenda, bringing together resources and mandates for greater impact. It merges and builds on the important work of four previously distinct parts of the UN system, which focused exclusively on gender equality and women's empowerment:

Duties and Responsibilities

Design and develop programme strategies in the areas of Ending Violence against Women and Girls

Design and formulate programme/ project proposals and initiatives on Ending Violence against Women and Girls

Provide technical inputs to programme proposals for Ending Violence against Women and Girls

Provide advice on contextualizing/ localizing programme documents related to Ending Violence against Women and Girls in line with Kenya country Office strategies, and knowledge products.

Coordinate proper monitoring and reporting for EVAWG in collaboration with programme teams.

Manage the implementation and management of the Ending Violence against Women and Girls

Finalize the annual workplan and budget and manage their implementation.

Manage the technical implementation of the programme/project; ensure synergies with other teams.

Manage the submission of implementing partner financial and narrative reports.

Provide guidance to personnel and partners on Results Based Management tools and performance indicators.

Organize Project Steering Committee, project review and/or evaluation meetings, as needed.

Manage technical assistance and capacity development to project/programme partners.

Manage the implementation of technical advice and guidance.

Develop and implement technical tools, and initiatives.

Build and manage relationships with national partners to support implementation and expansion of the Ending Violence against Women and Girls programme; respond to any potential problems.

Identify capacity building needs of partners and lead the coordination of technical assistance, mentoring, training, and capacity development initiatives to partners.

Manage the monitoring and reporting of the programme/ project.

Manage the monitoring of programme/ project implementation and finances using results-based management tools.

Oversee field missions and review reports on monitoring missions.

Write quarterly reports and donor reports, focusing on results, output, and outcomes.

Contribute to office donor and UN Women reports.

Lead the team and manage financial resources of the Ending Violence against Women and Girls programme.

Manage the programme budget and draft financial reports.

Supervise the Ending Violence against Women and Girls team; Mentor and coach personnel and conduct performance assessments.

Ensure effective Team-Leadership and overall direction and management of the Ending Violence against Women and Girls portfolio and provide cross-cutting advice on coherence with other programmes.

Oversee recruitment processes, as necessary.
