Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

SMEC's origins date back to the iconic Snowy Mountains Hydroelectric Scheme in . Today SMEC is consistently recognised for technical excellence and design innovation by the world's leading engineering bodies. Striving to deliver service excellence across a range of industry sectors, SMEC has developed and refined a core service offering covering the lifecycle of a project. SMEC's projects help to generate economic wealth and provide essential infrastructure services in some of the world's fastest growing economies. Vision and Values SMEC's vision 'To deliver outstanding infrastructure services for our clients and communities', coupled with the eight strong values define the way SMEC operates. The company's vision and values are owned by SMEC's employees; they guide decision making, foster good relationships and reflect what SMEC employees stand for. Trust Delivery Innovation Sustainability Teamwork Diversity Integrity Safety
