Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

The Save the Children Fund, commonly known as Save the Children, is an international non-governmental organization that promotes children's rights, provides relief and helps support children in developing countries

EXPERIENCE AND SKILLS

Essential:

Strong problem-solving skills and analytical ability to identify and assess alternative options and proposals.

Strong collaboration skills, a team player, able to work collaboratively with different individuals.

Excellent verbal and written communication skills; ability to explain complex issues to a variety of audiences; attention to detail.

Strong stakeholder management skills. Ability to understand different contexts and perspectives and adjust communication style based upon this as required.

Experience with and a strong technical understanding of financial management processes in a large multi-lateral organisation, ideally within an NGO.

Desirable:

Experience of with financial systems (ideally Agresso) and implementing improvements.

Demonstrable track record of successfully and independently managing their own workload and that of others where required, including the ability to plan, prioritise and organise complex and varied work to meet tight deadlines with capability to assess when to ask for guidance/advice/inputs and showing persistence while fostering good working relationships across teams.

Advanced skills in Microsoft applications, especially excel.
