Rolling Cargo is an established international air and sea freight forwarder with over 15 successful years of trusted and verified expertise. With the backing of experienced and professionally trained staff and the excellent relationship with carriers, customs, terminals, and other local authorities, We will be your best choice on the extension of your business. We offer a wide range of air and sea freight services to Kenya, with a primary focus on reliability and communication that our customers can depend upon. In a world where air freight services are a vital link to today's global logistic market, efficiency and versatility are paramount. With our international connections and hundreds of flights leaving daily, we have the unique ability to rapidly and reliably manage the fast flow of your products or goods via import or export. Whether you are shipping B2B or B2C, rest assured your consignments will be handled with the utmost care and attention. Choose Rolling Cargo and allow our Experts to eliminate the pain and effort of dealing with external carriers, customs clearance, compliance, and any separately required paperwork, ensuring high quality throughout the supply chain.
