### Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

e-commerce solution revolutionizing car ownership in sub-Saharan Africa. We started with an automotive marketplace, leveraging technology and robust offline operations to reduce pain points in the market for locally-used vehicles, delivering quality, convenience, and value to our customers. At Peach, we believe cars are more than their component parts – they're a gateway to the experiences, relationships, and opportunities that make life worth living. Our aim is to build Africa's first full-stack automotive service, spanning all aspects of car ownership and delighting our customers at every turn in the road.
