```

Molars Dental Group has conglomerated a unique set of expertise, intellect and equipment to cater to the health of your smile. Our dentistry experience spanning 5 years has edified our service menu and sensitivity to offer more than oral health care. Our smile emanates from the heart, so to say. Therefore, our mission does not stop at dentistry. We are careful to yield utter attention to facilitate a comfortable and specialized experience so you can'tabasamu milele'. Our Passion To exceed our client's expectations by providing quality dentistry, best customer service in a state of the art facility. Our patients become our family, our community becomes our practice, as we grow and foster our reputation. Our Mission Our goal is to provide patients with highest quality dental care, tailored specifically to each individual client. We will continually strive for excellence in the care we render, and comfort in the way it is rendered.

### Qualifications:

A strategic thinker with analytical and solution centered skills coupled with a strong health industry background.

Passionate about the customer journey, with demonstrable experience in managing the different customer touch points with a customer centric mindset.
