Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

DT Global, built on more than 50 years of experience from AECOM International Development, Development Transformations, and the Global Peace and Development (GPD) Charitable Trust, applies ingenuity, evidence, and passion to everything we do. Grounded in decades of technical expertise and leadership around the world, we incorporate rigorous learning and assessment in our program design process to ensure that we stay on the cutting edge of thought leadership. Our technical experts work in partnership with communities and institutions to deliver innovative, data-driven solutions that create sustainable change and improve people's lives.

About You

Core competencies required are:

Bachelor's or Master's degree in organizational development, public administration, or a related field

Minimum of 5 years of experience in institutional strengthening, preferably in developing countries context

Strong technical skills and experience in organizational capacity assessment and development, institutional strengthening strategies, policies and procedures

Experience in providing technical assistance and training to improve institutional systems, processes, and procedures.

Excellent communication and interpersonal skills

Fluency in English, with excellent writing and presentation skills

Experience working with international development organizations or donors, such as World Bank, USAID, DFAT, MCC, FCDO, EU, AfDB and ADB is an advantage.

Experience working in Sub-Saharan Africa
