Location: Kenya

Category: other-general

### Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

Mount Kenya University (MKU) is a fully fledged chartered university committed to a broad-based, wholistic and inclusive system of education. It has an overall goal of promoting human resource development for society's progressive good. The university has adopted several international best practices in its core functions, which has enabled its students and faculty win awards, thus stamping its authority as a centre of excellence. At its main campus in Thika town in the outskirts of Kenya's capital Nairobi, the university is transforming a hitherto industrial town into an educational hub. At the same time, it is widening access to higher education for the larger East African Community through a well-structured network of campuses. The university also offers a wide-range of academic and professional courses, through various flexible modes that include virtual learning, evening classes, weekend classes and School based. The award-winning university library and the imposing Chancellors Tower at Thika Main Campus make the university unique.

### Qualification

An earned PhD or equivalent degree qualification in the relevant area of specialization from a recognized/accredited university;

Master's degree in relevant discipline with 3 years teaching/industry/research experience;

Expected to have registered for a PhD degree in the relevant discipline.

At least three years teaching experience at university level;

At least 24 publication points of which 16 should be from refereed scholarly journals

Be registered by the relevant Professional Body (where applicable)

**Duties and responsibilities:**

Adherence to the teaching requirements as per the curriculum.
