Job Description

(adsbygoogle = window.adsbygoogle || []).push({}); Cellulant is a digital payments business. We run an ecosystem of consumers, merchants and banks in which we facilitate payments and build value through the value-added services we layer on top. In building this ecosystem we serve different types of customers with different products, in a range that includes mobile banking products, mobile credit products, USSD, SMS, and digital content. We are currently serving merchants and banks across 10 countries, and a wide set of industries

ABOUT JOB:

The role is to support the Head of Legal to create a culture of compliance by ensuring management is updated on new laws, regulations, and applicability and by ensuring that all staff, agents, and dealers embrace the rigors of compliance

Key Relationships and Stakeholders:

Business, Product, Technology, Regulators, External Legal Counsel, Company Secretaries, and other counterparties

CORE RESPONSIBILITIES:

Understand and advise the business on various laws, regulations, and standards in various jurisdictions of business operation including international pronouncements that affect the business

Help with the interpretation of laws and regulations to help the business design appropriate

programs for compliance.

Support and implement key legal and compliance processes that relate to legal drafting, negotiations, and review of commercial and other agreements.

Review and provide advice to the business on matters concerning licensing, approvals and registration required for the operation of the business

Prepare and defend the business interests in commercial contracts and in a court of law or other dispute resolution forum whenever required.

Educate the members of staff and leadership of Cellulant on the implications of laws and regulations and risk of non-compliance.

Help the business understand the risks and opportunities in new and upcoming laws and regulations.

Oversee delivery of legal services and resources to accomplish corporate goals, strategies and priorities.

Maintain proper corporate interactions with the relevant local, state, federal, regional governmental and international bodies to ensure Cellulant is up to date with the changing regulatory environment

Advise the business on an ad hoc basis on legal matters e.g., Employment matters.

QUALIFICATIONS & EXPERIENCE:

Must have experience:

Possess a bachelor's degree with at least 4-6 years of relevant work experience.

Ability to identify and analyze complex issues/problems in management areas, recommend and implement solutions.

Ability to manage office functions economically and efficiently.

Good interpersonal relations and communications.

Business experience is an added advantage.

Displays excellent supervisory and leadership skills.

Has the ability to evaluate and weigh all legal aspects and/or situations, and be able to provide sound solutions, with the aim of protecting the legal rights of the business.

Experience that will count in your favor:

Experience working in a FinTech, insurance or financial institution.

Strong business acumen

Nice to have Experience:

Excellent Communication Skills
