### Job Description

(adsbygoogle = window.adsbygoogle || []).push({}); Helping Women Graduate from Extreme Poverty The BOMA Project is a U.S. nonprofit and Kenyan NGO with a proven track record, measurable results and a transformative approach to alleviating poverty and building resiliency in the drylands of Africa. Our Rural Entrepreneur Access Project (REAP) replaces aid with sustainable income and helps women to graduate from extreme poverty by giving them the tools they need to start small businesses in their communities. With this new and diversified source of income, they can feed their families, pay for school fees and medical care, accumulate savings for long-term stability, survive drought and adapt to a changing climate.

### Responsibilities

Manage the Rural Entrepreneur Access Project (REAP), BOMA's program that helps low-income women start businesses to uplift their living standards.

Provide mentoring to the agreed number of small business enterprises.

In a collaborative process with the community (Participatory Wealth Ranking) and BOMA Location Committees, target and identify eligible women for the program, based on BOMA's criteria.

Meet with established business groups, help them make decisions about their business and offer other guidance as needed.

Conduct/deliver business and savings skills trainings and mentor (provide guidance and

support) to the businesses in the designated location and surrounding manyattas.

Survey individuals and collect data on living standards, participation in savings groups, and other relevant information.

Represent BOMA in the designated location, including as a representative for the organization in local development committees.

Report on the businesses and savings groups' performances to the Field Officer.

Perform a minimum of agreed visits per week to the business groups and savings groups for which you are responsible and upload all data collected at a minimum rate of once a month.

**Qualifications:**

At least a Diploma in Business Management, Community Health, Social Work, Or Another Related Discipline.

Possess excellent interpersonal skills; candidates should be able to relate well to both the women with whom we work, and the BOMA Field Officer.

At least two years' experience in similar work; with proven experience in data collection

Be self-driven, and able to work with minimal staff supervision

Must be a native of the respective ward you are applying for with working knowledge of English, Swahili, and the local language.

Have a valid motorcycle license and has experience on how to ride a motorcycle.
