```

Workforce Africa is a HR solutions provider dedicated in the provision of Human Resource Management services across Africa. Our MISSION is to deliver Business Growth by leveraging on Talent.

#### **RESPONSIBILITIES.**

Lead all aspects of the development, implementation, and consolidation of the programme and serve as the primary point of contact.

Ensure the programme is planned and implemented to meet donor expectations in terms of timely and quality results and budget, including strategies for gender equality, public engagement, and sustainability.

Provide leadership on the Blue economy aspect of the programme.

Manage and mitigate risk through monitoring national and regional issues that may impact staff and programming.

Oversee the development of staffing plans and the recruitment process of senior staff.

Coordinate relationships with regional authorities and stakeholders as well as partner organisation (regional level) and contractors.

#### **EDUCATION AND EXPERIENCE**

Master's degree in International Development, Environmental Sustainability, Economic Development, Conservation, or other relevant area.

At least 10 years of experience in relevant management and supervisory roles as well as technical experience working with programmes that are of a similar scope and scale to this programme.

At least 5 years of experience managing donor funds, including multi country grants. Knowledge of Global Affairs Canada rules (Canada's Government), regulation and procedures preferred.

Practical experience managing consortia-led grants. Experience engaging partners and strengthening partnerships
