

## Operator in Responsible Charge (ORC)(Water)

[Apply Now](#)

Company: Amentum

Location: Lamu

Category: production

This is a pre-award opportunity located on Diego Garcia in the Indian Ocean.

The ORC must possess the necessary education, experience, training, continuing education and other qualification requirements for certification as a NOCA Class 3 Treatment and Class 3 Distribution operator. In addition, the operator in responsible charge must demonstrate a proficiency in basic verbal and written English language skills.

The ORC must possess a current/valid operator's certificate per the requirements specified in CNICINST , reference (b) "Operator in Responsible Charge and Assistant Operator in Responsible Charge Training and Certification Program" which includes US and Host Nation (HN) reciprocity.

Amentum is proud to be an Equal Opportunity Employer. Our hiring practices provide equal opportunity for employment without regard to race, religion, color, sex, gender, national origin, age, United States military veteran's status, ancestry, sexual orientation, marital status, family structure, medical condition including genetic characteristics or information, veteran status, or mental or physical disability so long as the essential functions of the job can be performed with or without reasonable accommodation, or any other protected category under federal, state, or local law.
