Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

World Vision is an international Christian relief, development and advocacy organisation working in almost countries world-wide to create lasting change in the lives of children, families and communities to overcome poverty and injustice.

Key Responsibilities:

Project Management – 30%

Ensure proper planning, implementation, monitoring and evaluation of the project interventions in the project areas.

Manage and coordinate the project team to ensure competent and motivated staff

Provide technical support and leadership to Project Officer and driver to enable them effectively guide and support response interventions in the County.

Ensure all project interventions are implemented within schedule, plans and budgets and regularly review project status.

Ensure that the project interventions are integrated with other projects in the program

Ensure identification of local needs and resources and take appropriate programming measures.

Mainstream cross-cutting issues (gender (GESI), CC, environment, advocacy, disability,

child protection) in the project.

Establish operational priorities and monitor performance targets for the respective field project staff

Coordinate assessments, designs, measurements of construction and in accordance with established standards, policies and procedures in liaison with NO WASH team and other relevant partners

Participate in staff and community capacity building initiatives as stipulated in project designs and guidelines as well as promoting relevant advocacy on WASH, livestock and natural resource management

Ensure that project initiatives meet or exceed planned outcomes and are implemented in full compliance with WVK, the donor and other relevant partnership and international standards and guidelines;

Engagement and Networking – 30%

Ensure close working collaboration with key National Institutions, County government & county institutions, private sector partners, NGO partners & other development programs, community and other local institutions e.g faith based organizations, rangeland committee etc.

Ensure adequate representation with the donor, the Government of Kenya officials (National and County), private sector, Civil Society Groups, including Faith-Based Groups.

Support implementing staff to successfully engage with key internal and external stakeholders including other WVK entities, community, faith leaders and civil society representatives in order to maximize the impact of interventions

Build and maintain effective communications and pro-active relationships with partners in the County including visits by donors

Design Monitoring, Reporting and Evaluation – 20%

Lead in the development of the project design and ensure compliance with WVK and donor guidelines and standards.

Ensure timely and effective implementation of all project interventions as well as the

successful achievement of proposed outcomes and intended impacts.

Ensure timely and appropriate utilization of the budgeted project resources.

Ensure proper application of business processes, standards and guidelines related to the project in accordance with the donor requirements.

Ensure that the project achieves acceptable financial and operational audit results by implementing activities in accordance with established norm and policies.

Ensure that all the activities are implemented and evaluated in accordance with the WVK and donor standards.

Support the project officer to set up and maintain effective complaints and feedback mechanisms to ensure that beneficiary concerns are addressed in a timely and effective manner.

Ensure that an effective and participatory and effective M&E system is established in a decentralized manner

Ensure that, in general, project monitoring arrangements comply with the project agreement and, in particular, the provisions of this agreement are fully observed in the design of project M&E.

Ensure quality monthly, quarterly, semi annual and annual reports are compiled and submitted in a timely manner in line with the donor requirements.

Document and disseminate lessons learnt and best practices on completed project initiatives on PPcPs

Capacity Building – 10%

Identification and sharing of capacity building gaps among project staff, communities and partners.

Lead the project in capacity building initiatives for staff, communities and partners to enable them effectively advocate for and implement project interventions.

Ensure ongoing coaching and mentoring of project staff in order to ensure that they are able to perform and achieve the desired results.

Manage performance of staff and encourage on-the-job training, identifying and addressing learning and training needs and opportunities

Resource Mobilization – 5%

Map resource mobilization opportunities at local level and develop concepts and proposals in collaboration with Regional and National office teams.

Other Duties – 5%

Any other duties as assigned by the Supervisor
