Company: JobWebKenya

Location: Kenya

Category: healthcare-practitioners-and-technical

### Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

Brainston Kindergarten is a Private School offering the 2.6.6.3 Competency Based Curriculum (CBC). Our main focus is the education of your child in all aspects.

### Summary:

Provide first aid care and health assessment

Write care plans and coordinate the care of students with chronic or acute health conditions

Communicate with teachers and staff to ensure the safety and well-being of students

Administer medications and monitor delegated medication administration

Assist in the evaluation of students for Special Services (Special Education)

Coordinate and provide vision and hearing screenings

Educate and train staff on: asthma, life-threatening allergies, diabetes, and blood borne pathogens

### KEY RESPONSIBILITIES

Managing our students' wellness and offering health-related support as needed.

Offer First-aid and care to students with acute and/or chronic health problems and coordinate referrals to the nearest/preferred health facilities.

Perform health screenings to detect health issues.

Lead wellness/health-related initiatives to provide health education to students, staff and parents.

Oversee infection control measures within the school.

Supervise and/or administer medications brought to school by students.

Make courtesy follow-up calls to parents of children absent from school due to illness.

Liaise with the medical staff at the nearest private hospital and update school's hospital referral list

Create and manage incident documents on all students confidentially.

Collect and record data daily on illnesses and injuries, flag multiple occurrences and escalate to School Leadership with a proposal on how to address the cases and prevent future cases.

Collect student allergy information and make follow-up on the same. Communicate effectively with students, staff, parents and other stakeholders (e.g. clinicians and paramedics) in matters related to health and wellness.

Escalate any medical issues and injuries with the School Leadership.

Responsibly keep and manage inventory of medical equipment and supplies.

## **SKILLS AND QUALIFICATIONS**

A Diploma or Degree in nursing with great people skills.

A least 3 years' experience working as a pediatric nurse.

A professional, flexible and conscientious registered nurse with the ability to build a harmonious, energetic and cohesive relationship with students and co-workers.

Professional counseling skills with a proven track record will be an advantage.

Able to work in a school setup and comfortable with children and their health and safety

Be a team player & can work in a busy and entrepreneurial environment
