Company: DGB Group

Location: Nairobi

Category: arts-design-entertainment-sports-and-media

DGB is a purpose-driven project developer specializing in nature-based solutions, managing high-quality projects that emphasize ecosystem restoration, conservation, and biodiversity enrichment.

Through our projects, products and services, we aid companies in understanding and committing to environmental improvement, assessing their environmental footprint, developing strategies for environmental solutions, and communicating their progress on sustainability transparently.

Our in-house software development team is at the forefront of creating innovative platform solutions, including our proprietary carbon calculator and satellite mapping tools, to support our project development.

As Senior Tech Lead, you are being lined up to be our future Chief Technology Officer (CTO).

Tasks & Responsibilities:

Lead the technology strategy and vision, aligning it with the company's mission and objectives.

Oversee the development and implementation of in-house platform solutions

Manage the technology team, setting objectives, and ensuring timely delivery of projects.

Ensure the security and compliance of all technology systems and software.

Requirements

Proven experience as a CTO or in a similar leadership role within the technology sector

Strong background in software development, including experience with carbon calculation and satellite mapping technologies.

Exceptional leadership and communication skills.

Passion for sustainability and technology's role in environmental conservation.

Benefits

At DGB, we believe that our employees are our most valuable asset, and we are committed to providing a supportive and rewarding work environment. As a publicly listed company on the Amsterdam Euronext stock exchange with ticker code AEX:DGB, we offer a range of benefits to our employees that reflect our commitment to their success and well-being.

One of the unique benefits of working at DGB is that all of our employees receive share options, which provide the opportunity to share in the company's success and growth. As a publicly listed company, we are committed to creating value for our shareholders, and we believe that our employees should share in that success.

In addition to share options, we offer a competitive compensation package that includes salary and incentive-based bonuses. We also offer a range of professional development opportunities.

At DGB, we believe that our success as a company depends on the success and well-being of our employees, and we are committed to providing a supportive and rewarding work environment. Whether you are just starting your career or looking to take the next step, we invite you to join our team and become part of a company that is making a real difference in the world.
