

## Strategy and M&A at Cellulant Corporation

[Apply Now](#)

Company: JobWebKenya

Location: Kenya

Category: other-general

### Job Description

Cellulant is a digital payments business. We run an ecosystem of consumers, merchants and banks in which we facilitate payments and build value through the value-added services we layer on top. In building this ecosystem we serve different types of customers with different products, in a range that includes mobile banking products, mobile credit products, USSD, SMS, and digital content. We are currently serving merchants and banks across 10 countries, and a wide set of industries

### ABOUT JOB

This role will entail working under the Senior Strategy and M&A Manager to assist in Cellulant's strategy framework-building activities with an in-depth research and analysis-based approach. Other activities include business performance analysis and helping craft key investor materials/reports as well.

### REQUIREMENTS & QUALIFICATIONS:

A Bachelor's degree or working towards attaining a bachelor's degree in STEM/Finance or any relevant field.

Any kind of Fintech/Payments Industry internships/projects done is a plus.

Prior internship/s in Venture Capital/Investment Banking/Consulting industries will be of value.

### QUALIFICATIONS & EXPERIENCE:

You are a high performer and excellent in your bachelor's degree.

You are comfortable and enjoy working around with data & numbers.

Strong secondary research skills.

Good understanding of Microsoft PowerPoint and Excel.
