Founded in , BFA is a global consulting firm specializing in financial services for low-income people. We partner with cutting-edge organizations that touch the lives of low-income consumers such as financial institutions, fintech companies and information providers. We integrate our deep expertise in customer insights, business strategy, new technology, and growth-enabling policy and regulation to create solutions. Our clients include donors, investors, financial institutions, policymakers, insurers and payment service providers. How does BFA develop financial solutions for low income customers? BFA has globally-recognized expertise in understanding financial behaviors and needs of low-income consumers. By identifying needs and balancing the realities of the supply side (financial services provider) and demand side (consumer), we create products and services that generate shared value for both sides.

Bankable Frontier Associates (BFA) seeks to employ competent personnel to fill the following vacant positions:
