### Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

John Snow, Inc., and its nonprofit affiliate JSI Research & Training Institute, Inc., are public health research and consulting firms dedicated to improving the health of individuals and communities throughout the world. JSI builds local capacity to address critical health problems, collaborating with local partners to assist countries, governments, communities, families, and individuals to develop their skills and identify solutions that meet their public health needs. Through management assistance, research and evaluation, education, and training, JSI works to enable agencies and health professionals to provide appropriate services in an effective and compassionate manner.

John Snow Inc (JSI) seeks to employ competent personnel to fill the following vacant positions:

#### 1. Systems and Software Advisor
