Company: JobWebKenya

Location: Kenya

Category: architecture-and-engineering

### Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

The county has a rich history and folklore that makes it a favourite for cultural tourism. It was originally known as Chich Onuno (Onuno's market) but it was renamed to Homa Bay by colonialists in because it was overlooking the then Huma Hills in Karachuonyo. Visitors from overseas pronounced Huma as 'Homa' and the residents adopted the name Homa Bay. Administratively, Homa Bay County has eight constituencies which also serve as Sub County administrative Units- Mbita, Ndhiwa, Homa Bay Town, Rangwe, Karachuonyo, Kabondo, Kasipul and Suba.

### Duties and Responsibilities

Ensuring that statutory regulations and safety rules are fully implemented and followed.

Coming up with technical drawings as per work request.

Verifying accuracy of materials and equipment.

Maintaining tools and equipment inventory.

Planning and carrying out scheduled and non-scheduled maintenance on cooling towers, roads, building and other civil structures.

Ensuring housekeeping and maintenance of work areas adhere to set safety standards.

Making sure the equipment and tools are serviced and maintained to operating standards.

Raising purchase requests in the plant maintenance and management system.

Raising notifications, creating, confirming, and completing work orders in the plant maintenance management system.

Complying with relevant ISO standards;

Maintaining all civil as-built drawings and manuals in good order; and

Reviewing internal project blueprints and structural specifications to determine dimensions of structure or system and material requirements.

### **Requirements for Appointment**

For appointment to this grade, an officer must: –

Served in the grade of Engineer (Civil) for a minimum period of three years.

Bachelor's degree in civil engineering or its equivalent qualification from a recognized institution.

Been registered by Engineers Registration Board of Kenya.

Current valid annual Practicing License from the Engineers Registration Board of Kenya.

Corporate Member with the Institution of Engineers of Kenya (IEK);

Attended a Project Development and Management Course lasting not less than four weeks from a recognized institution.

Certificate in computer application skills; and

Demonstrated merit and ability as reflected in work performance and results.
