Job Description

(adsbygoogle = window.adsbygoogle || []).push({}); Tezza Business Solutions Ltd is a “niche” service provider of Software Development, Quality Assurance and Software Testing services. Tezza began its operations as Web Development company in Overland Park, Kansas. Since then, we’ve evolved into a Services-oriented company who only engage in Product development as a value-add service to our customers who continue to appreciate our “Customer First” Service Delivery approach. Tezza opened its first office in Kenya in with a primary goal of building capacity of qualified software development and testing resources to work on outsourced projects from North America. Whilst we are partners and reseller of solutions today, our primary interest is in providing services; the products we sell are sold in conjunction with the services we provide. Since , Tezza has grown in size and reputation with over resources and offices in key 4 East and West African countries – Kenya, Nigeria, Tanzania and Uganda. Tezza has now become the #1 QA and Software Testing Company in East Africa providing services to companies within the Banking, Insurance, Healthcare and Telecommunication market verticals.
