Job Description

(adsbygoogle = window.adsbygoogle || []).push({});

Citibank N.A. Kenya has been operating in Kenya since and has two branches in Nairobi and Mombasa, serving Corporate and Institutional clients. Citibank Kenya is the regional hub for the Citi East Africa cluster, which covers Kenya, Uganda, Tanzania and Zambia. It's the only solely corporate bank in Kenya. Businesses Citi Kenya is structured around business segments, product groups, operations and technology and staff units. The business segment that caters to our diverse customer base is our Institutional Clients Group, which includes the global relationship banking services we provide for top-tier local corporate clients.

You're the brains behind our work.

You're ready to bring your knowledge from the classroom to the boardroom and Citi wants to help you get there. Whether it's honing your skills or building your network, we know that success can't come without growth.

Our Internship programme is a 8-week university vacation internship programme commencing in May for undergraduate university students. The programme offers in-office work experience in Global Subsidiaries Group in Kenya.

We provide you with the knowledge and skills you need to succeed.

Whether you've got prior financial industry experience or not, this internship provides an opportunity to work for one of the world's largest financial services organisations. If your internship is successful, you could be considered for one of Citi's full-time graduate or analyst

programmes.

Your time here will look something like this.

Hands on work experience as a member of the team you are selected for

Get a solid understanding of the broad range of financial services and products Citi provides

Learn to build financial models and develop corporate finance solutions for our clients – we strive to create the best outcomes for our clients with financial ingenuity that simple, creative and responsible solutions

Conduct research and analyze industry trends to support our bespoke advice and superior value proposition

Participate in client development – Citi aims to be the best banking partner for our clients by delivering differentiated client experiences

We want to hear from you if.

We look for highly motivated candidates with a strong work ethic, a positive and proactive mindset, and a firm desire to learn and succeed

A keen interest in financial markets and current affairs is critical

We value diverse thinking and encourage students from all degree disciplines to consider our opportunities.

Studies in Finance, Accounting, Economics, Mathematics, Actuarial Science, Engineering and Information Technology subjects are beneficial but not essential

You are due to be graduating by summer

On course to achieve a 2:1 (or equivalent) at undergraduate level in any degree

You have an interest in business

You are fluent in a 2nd language (this is desirable but not essential)

Applicants to attached their CV, Cover Letter and Updated Academic History

Who we think will be a great fit.

Extensive work experience is not a requirement, but dedication to learning and a true passion for the business are vital. We'll be looking for the following:

Desire to develop a deep understanding of the financial markets and banking industry

Analytical and quantitative skills

Strong communication, planning and organizational skills

Knowledge of the global or domestic business landscape

A strong desire to learn and success in team environments

Commitment to personal growth and career development
